Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

Reports regarding the attitude of the Mahomedan community in the several parts of the state during the previous month (December 1914), have been received from the Inspector General of Police and the Deputy Commissioners of the marginally noted districts. Reports have not yet been received from the remaining 3 Deputy Commissioners, but that from the I.G.P. covers those districts also.

2. This is the first set of reports received after the issue of this office Cir. D.O.No.302-10 dated 23rd December 1914, intimating that monthly reports (instead of weekly ones) would thereafter be sufficient.

3. It is seen that the situation is quite satisfactory in all the districts.

Dear Sir,

D With reference to your D.O. letter No. 321-6 dated 2nd January 1915, I beg to inform you that there is nothing particular to report for the month just passed.

I heard a silly rumour that the Mavazans of Kolar were not calling the faithful to prayers since the out-break of War with Turkey, but from the enquiries I have made, I find that this is not the case.

Yours sincerely,

To
